Residential Sewer Averaging Opt-Out/In Form

This form serves as a notice to the City of Silverton that I/we the customer(s) shown below choose to Opt-Out/In to the City's residential sewer averaging program.

OPT-OUT OPT-IN

Account Number:	Service Address:
Primary Customer:	Phone Number:
Secondary Customer:	Phone Number:

By signing this form I/we acknowledge the following:

- **The form must be submitted to the Finance Department by April 30 to be effective with the following May billing.**
- I/we understand that the residential sewer averaging method used to calculate the sewer portion of the bill is based on the average water usage using the November through April billing periods (6 months) and is changed annually on the May utility bill.
- I/we understand that by opting out of residential sewer averaging that the sewer portion of the bill will be based on the actual water usage each month.
- I/we understand that to opt-in to the residential sewer averaging method that a new form must be completed and provided to the Finance Department and the new option will be effective with the next May utility bill.
