

SFSD and Silverton Safe Routes to School invites you!

Safe Routes to School Walk Audit for Robert Frost Elementary School

Date: Thursday, October 6, 2016

Time: 2:40 PM

Place: 201 Westfield Street
Meet at the flag pole

The City of Silverton and Silver Falls School District would like to invite you to attend a walk audit to observe walking and biking conditions near the school and school influence area.

The goals of the walk audit are to:

1. Convene diverse stakeholders
2. Identify the barriers and opportunities that discourage or encourage walking and bicycling in the school zone and high priority concerns in the enrollment area
3. Brainstorm potential solutions

The City of Silverton and Silver Falls School District will use the results of this audits to plan future infrastructure improvements around the school and in the neighborhood around the school.
