Required Attachments and Information:

- Site Plan.** A sketch of the site, drawn to scale, showing the approximate location of existing structures, existing signs, and the proposed sign(s).
- Building Evaluations.** Drawn to scale, showing the sign(s) relative location and placement.
- Sign Elevation(s).** Illustration drawn to scale, showing the design, elevations, sign face dimensions and area, materials and engineering data which demonstrates its structure stability. The illustration of the sign(s) need not show the sign message, but shall show the size, style, and design of the lettering, numbers, and graphics conveying the message.

Proposed Signs must follow the provisions of Silverton Municipal Code 15.16.000.

Authorizing Signatures:

I hereby certify that the information on this application and attachments are correct and that the property affected by this application is in the exclusive ownership or control of the applicant, or that the applicant has the consent of all partners in ownership of the affected property. An authorization letter from the property owner has been attached in the event that the owner’s signature has not been provided below.
