

**FOR IMMEDIATE RELEASE**

June 20, 2017

Public Works – City of Silverton  
306 S Water Street  
Silverton, OR 97381

**TRAFFIC ADVISORY**

**Revised Schedule**

**Street Maintenance Fee Project - Crack Sealing: June 19 – 23, 2017**

Crack Sealing will take place on the streets and dates listed below. Please avoid traveling in the construction zones if at all possible and watch for flaggers, traffic control devices, and “NO PARKING” signs. **There may be minor traffic delays.** The crack sealing and skin patching work being done in the next two weeks is in preparation for the slurry sealing that will take place this summer. This will ensure the resurfacing of these streets will result in the maximum benefit to the City.

All project dates are subject to change due to weather or other factors.
