TRAFFIC ADVISORY

Ross Avenue Detour for Construction

Water and sewer services installation work will take place on Ross Avenue Wednesday, November 15 through Wednesday, November 22, 2017. Crew members and equipment from Z Excavation and Bullseye Drilling will be at the location to construct utilities for a four lot partition development on the north side of Ross Avenue between Ash and Hazel Streets. When required, the street will be closed to traffic and a detour will be in place. Access to existing residences within the work zone will be provided by the contractor.

Questions regarding the project may be directed to Sue DeVore, Public Works Engineering Technician, at 503-874-2211 or email sdevore@silverton.or.us.

All traffic work dates are subject to change.
