AMPLIFIED SOUND APPLICATION**

Life Threatening Emergencies: Call 911 ** Park Issues: M-F, 8-5: 503-874-2281 ** After hours/weekends: 503-991-9795

No person in any park shall operate or aid in the operation of private radios, stereophonic or sound amplification devices at a greater operating level than sixty-two (62) decibels measured at a distance of twenty feet (20') from such radios or devices except as authorized by written permit.

12.48.060 Sound.

No person shall disturb the peace in any park between the hours of 10:00 p.m. and 7:00 a.m.

For purposes of this section, disturbing the peace is defined as including, but not being limited to:

- (a) Playing a musical instrument;
- (b) Playing a radio;
- (c) Shouting;
- (d) Engaging in any organized games.

No person shall use any device to amplify sound in any park unless a valid permit has been issued by the City Manager.

The City Manager may issue a sound permit authorizing the use of one or more designated devices to amplify sound by one or more designated persons in a designated area of a park on a designated date between specific hours if, according to his or her reasonable discretion, the number of persons to be entertained or served by the use of sound can be adequately and reasonably served only by the amplification of sound. The City Manager may include conditions in such a permit which she or he deems reasonable, and may revoke a permit if the terms of the permit are violated, or may deny a permit to a person or group of persons who have violated the terms of a permit within the previous year.

No person who holds a valid sound permit issued by the City Manager shall amplify sound within a park in violation of any conditions stated in that permit. (Ord. 01-118)
