I. APPROVAL OF MINUTES

Chairperson Miller requested a motion to approve minutes from the Regular Meeting held on May 19, 2021. Member Freeman motioned to approve; Member Linn seconded. All members approved minutes as presented.

II. COMMITTEE APPOINTMENTS

Carl Krigbaum and Silverton High School student Sam Perez appointed to the Environmental Management Committee on September 14, 2021 by Mayor Kyle Palmer, during the City Council Regular Meeting.

III. PUBLIC COMMENT

No public comments were noted.

IV. DISCUSSION/ACTION - NEW BUSINESS

Citizen Erik Morgan initiated conversation on the potential for a disc golf course in the City. Committee agreed to table this conversation until more information could be obtained. Member Krigbaum volunteered to be the point person on this, given his background in parks and recreation, and his previous experience working on a similar course.

V. DISCUSSION/ACTION - OLD BUSINESS

Recycling survey questions were briefly addressed by the committee. The conversation sidlined, and moved toward polystyrene and Styrofoam collections. Citizen Charles Baldwin of Sustainable Silverton brought up the potential for polystyrene collection during the Saturday recyclables collections at the City Shops. He mentioned that volunteers collect, and then deliver, polystyrene to a facility in Tigard for processing, after initial collection at Silverton Saturday Market.

Chairperson Miller adjourned the meeting at 4:00 p.m.

Respectfully submitted by:
