19-7095      1600   Cold Theft/UEMV                      Rosemary Way                      C4  
Victim, Heidi Potter, reported her \$250.00 Kenwood Woofer had been stolen from inside her locked Jeep while it was parked in her driveway. No damage to the Jeep was observed or reported.

19-7098      1700 Found property:                      PD                      C4  
A black cloth wallet belonging to Charles Fitch was turned into front office by a UPS Driver who found it somewhere near Silverton. The wallet's owner was identified by its contents and it was subsequently returned to the owner when he came to the PD.

19-7099      1800   Parking Complaint:                      Rosemary Way                      C4  
Heidi Potter phoned back to ask if I could contact the owner of a Gold Toyota 4Runner and request they move their vehicle. The RO is Cynthia Duncan, but was not the described male in his mid-forties who was reported to have parked it there. RO is registered at the Garden's but didn't answer the phone or door upon my attempt tonight. A business card was left so I might ask that the SUV be removed from partially blocking the caller's driveway

19-7105      2235   Found Property                      Coolidge St                      C8  
A yellow boy's BMX bike was found next to the foot bridge at Coolidge Park. Serial was found to be clear with no matching bikes in the book. The bike was lodged as Safe Keeping.

19-7108      0026   FIR                      S. Water St                      C8  
While conducting an area check of the Community Center, I located Mr. Joseph Keeton sleeping on the back stairs to the Gym. He stated "Sarah" had given him permission to sleep there.

19-7111      0214   Noise / Barking dog                      High St                      C8 / C9  
We responded to a report of a small black and white dog that had been barking constantly for several hours. Dog was loose in the common area of the apartments and not friendly. A neighbor advised what residence the dog belonged to but the male owner works nights. Clear calls stated the resident was an Alfonso Sanic but the phone number listed was no longer working. We were able to catch the dog finally and put it back in the apartment through an unlocked window. There were no prior dog calls at the location and we left a door hanger for the resident advising of the complaint and the action taken.

**Date: 10-24-19 (Thursday)**

19-7112      0615   Info                      Fairview St.                      C10

19-7127      1248   Public                      Miller St.                      C18

Wyatt Sanders wanted to report he was being harassed by Destiny Kirk via social media after someone posted a picture of his truck on Silverton Connections, which has a sock monkey zip-tied to the rear bumper, and she posted negative comments about him in reply. I explained that this activity was not criminal in nature and suggested he address the issue with the administrator of the group.

19-7128      1305   AOA                      Norway St.                      C19

Woodburn Police requested we contact the RO of a vehicle involved in a shoplift from Walmart. I contacted one of the RO's who advised they sold the vehicle back in June/July. Information was passed on to Woodburn Police.

19-7129      1538   Ordinance                      Shelokum Dr./Tenino Dr.                      C15

It was reported a truck and trailer had been parked at above location for over 72hr. Contacted owner, Lori Carter who told me she was going to move it.

19-7137      1705   Public                      Bryan Ct.                      C18/C19

Destiny Kirk wanted to report she was now being harassed by Wyatt Sanders as retaliation for comments she posted about him on social media. I suggested she block the sender and call back if it persisted so we could investigate it as a possible telephonic harassment.

19-7139      1804   TRF/DRUG                      S. Water Street                      C9/C4/C18  
Sgt. Reeder conducted a traffic stop on a vehicle with no plate and shattered windshield. C18 and I located tin foil in the passenger door which tested presumptive positive Meth. I detained the passenger and found more paraphernalia. The passenger was identified as Estella LaiLa Aguilera and was arrested for PCS Meth. She was C&Red at the scene.

19-7140      1905   Area                                      Iowa St                                      C8

Terry signed a trespass form with no expiration date. Terry owns a majority of the land off of Eska Way. He asked to trespass anyone attempting to camp on his property.

19-7173      1650    EDP                                      S. Water St                      C9/C13  
I was in the Parking lot of Silverton PD when a frantic mother brought her son who was having a mental health crisis. The son expressed concerns of self-harm. We requested Marion County Crisis Response Team who was unavailable. The son said he would be willing to have his mother take him to PCC in Salem. They were given a note with the address and left.

19-7175      1723    AOA/MVA                              Silverton Rd./Monson Rd.                      C18  
Responded to what was initially thought to be a single accident involving 4 vehicles, but was determined to be two separate accidents—one involving a single vehicle and one involving 3 vehicles. MCSO's ETA was over an hour so I handled the call. Both accidents were non-injury.

19-7176      1730    DIST                                      Westfield                      C9/C19  
I was dispatched to Safeway for a "Hit & Run" where Larry Miller said he stepped out in front of a truck that was "going too fast" to slow it down. He said the driver pushed him for twenty feet and then drove off. I noticed a strong odor of alcohol emitting from Mr. Miller when speaking with him. I spoke to all involved parties and determined there was no crime committed.

19-7178      1835    Welfare                                      Norway                      C9/C4  
Officers responded to check on the welfare of Caitlyn and Joshua Kinsey at the request of a relative, due to Caitlyn being on an alcoholic bender for 8 days. We discovered it was a lot of family issues that were civil matters and no crimes had been committed and everyone is safe

19-7180      1951    Hit & Run                                      S. Water St.                      C18/C13  
While parked in the PD lot, I witnessed a white Jeep Commander back into a parked, unoccupied Dodge Caravan and then take off without stopping. I subsequently located and stopped the involved Jeep and driver, Heather Graham. Contact was made with the owner of the Dodge, Willow Schrock, who declined to press charges for hit & run.

19-7181      2000    PCS/Warrant/Recv. stolen      Westfield St.                      C4/C9/C8/C13

**(A)** Kuznetsov, Mihai

Mihai Kuznetsov was reported as a suspicious person believed to have a warrant for his arrest. The anonymous caller reported a white male adult wearing a black leather jacket was being creepy as he stood outside near a running Honda Civic. Kuznetsov was found to have a warrant for his arrest. A pat down, incident to arrest found an admitted Meth pipe his jacket pocket. In addition, the Honda civic Kuznetsov had been standing near was found to be stolen. The Civic was recovered and returned to its owner.

19-7184      0016    Animal                                      Oak St                      C8  
Resident located a neighbor's dog running loose and caught it but could not get an answer at the owner's house. I contacted the owner by phone and he responded to take custody of the dog.
